Applicant's attorney, Lorraine Sherman, acknowledges with thanks the telephone interview kindly accorded her on October 6, 2005 by Michael J. Feely.

Substance of Interview: Incorporation of allowed subject matter into independent claims was discussed and seemed to meet the Examiner's expectations. Also, options for including language into claim 2 for producing flame retardant-containing shaped plastic shipping or storage container parts was discussed. It was agreed that the language now presented in amended claim 2 seemed satisfactory.

Respectfully submitted,
